## Foreword

A flag unfurling in the wind, the Statue of Liberty with upraised torch, and Mt. Rushmore's grandeur--all are symbols of a free America.

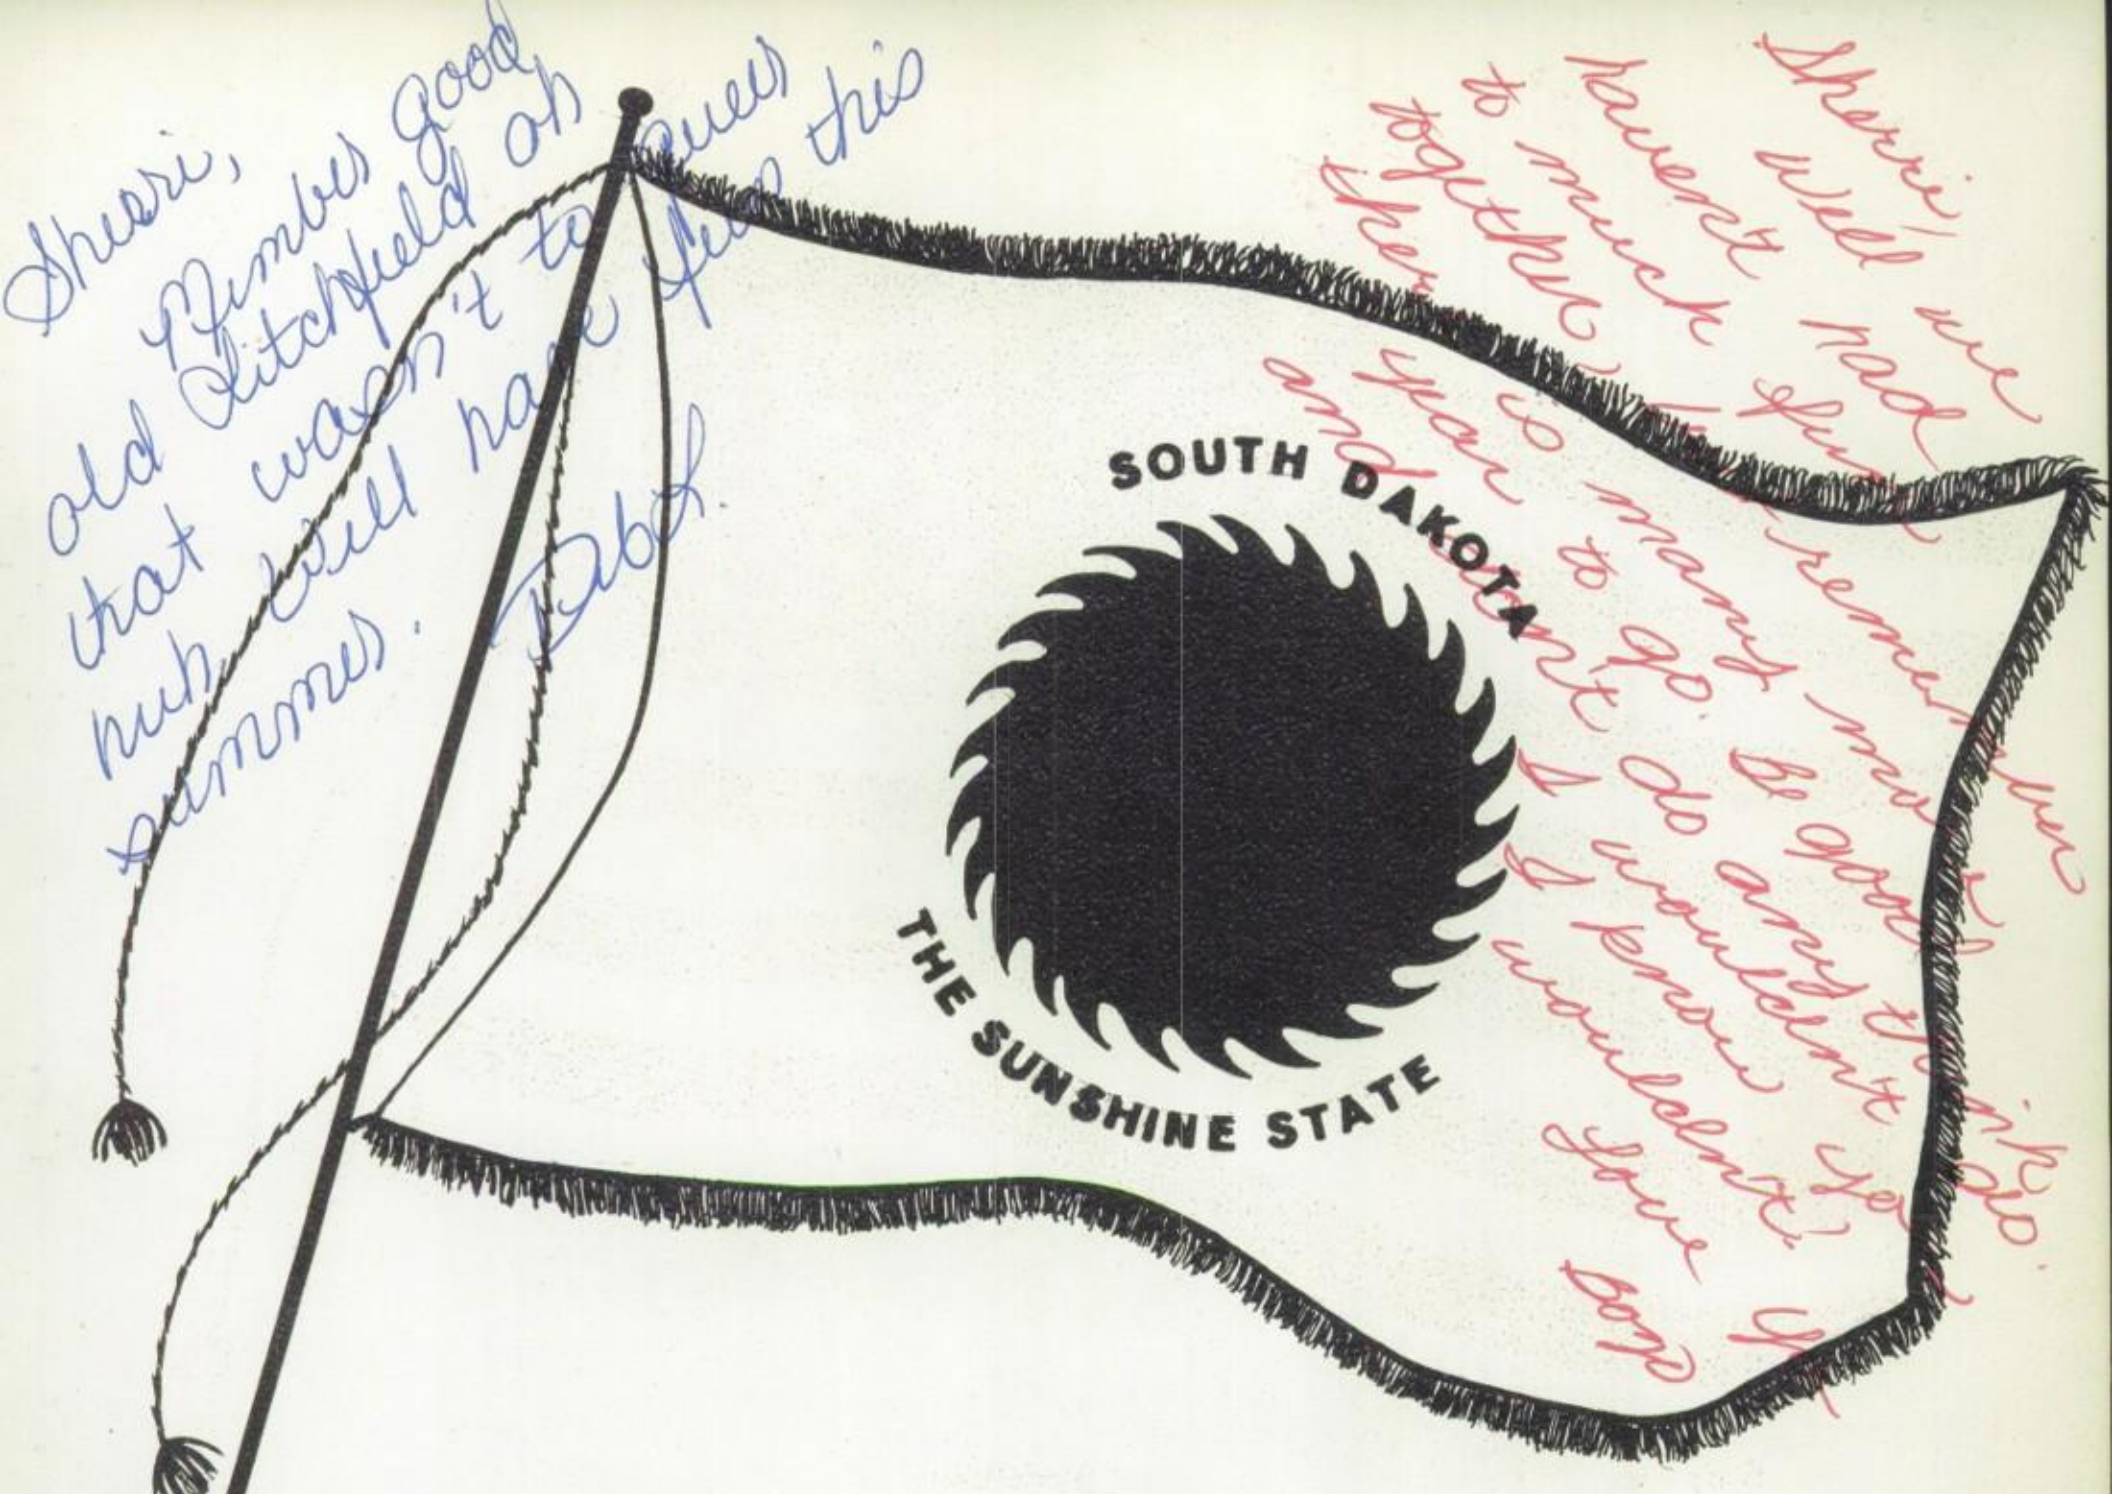

One of the great symbols of our nation is its youth. Today the youth are being trained and educated. Tomorrow they will take their places in the ranks of those who serve their country...those who follow as well as those who lead.

In the schools of the United States are taught the principles upon which our nation is founded. Through them, the American way of life is preserved. Every year another class of young citizens leaves school to become adults in our modern world.

This yearbook is a collection of the most important events which filled our lives through our school years. On the following pages are illustrated these activities which are symbolic of the American youth as well as the American way of life.

## In Gratitude

A truly patriotic person always offers a little more than he is asked to give. His service seems unbounded to his country, his home, and, in this case, his school. Frank Frick is this type of person.

In his thirty-nine years of service to his school, he has sent many students into the world to work well and proudly for themselves and their country. What more patriotic service can be given than to shape the minds of the future citizens of our country?

"Always a little more" could well be the motto of Mr. Frick. Stopping to talk to a student with a problem, maybe just giving a friendly smile as he passes in the hall, he seems not to know the meaning of selfishness.

We thank you, Frank Frick, for showing us that patriotism is an everyday virtue which should be and can be practiced by all of us.

Thomas J. Jacobs

## We Dedicate

The adjective, democratic, does not refer only to a country. It can also be applied to a teacher. All the qualities necessary in a democratic nation can be found in truly democratic people, as well.

Honesty, fairness, and a sense of loyalty all add up to make a democratic person, Thomas Jacobs.

For twenty-five years Mr. Jacobs, in his corner of the school, has provided inspiration and help for many students going off into the world. His skills in the practical applications of knowledge have been shared with many.

Always humble and giving and never asking much in return, Mr. Jacobs has demonstrated one of the important traits in a democratic person--dedication to his work.

To these two men who have worked many years and done so much for their school, community and their country, we, the students of Mitchell Senior High School, dedicate the 1967 Warbler.

*This is my COUNTRY,  
Land of my birth.  
This is my COUNTRY,  
Grandest on earth!  
I pledge thee my allegiance,  
AMERICA, the bold.  
For this is my COUNTRY,  
To have and to hold.*

Dr. Robert W. McCardle  
Superintendent

America has reached the position of world prominence by encouraging free inquiry and a government controlled by the will of the majority. It is the responsibility of the public school system to provide a learning climate for our youth to perpetuate the concepts of equal opportunity, human rights, and the rule of law. For only with an educated populace can self-government in an open society prosper. It is our hope that this obligation has been fulfilled for each and every student in the Mitchell Public Schools.

## Top Brass

HEADED by Dr. Harvard Lewis, members of the Board of Education meet the second Monday of each month to discuss school policies and approve the bills. Seated from the left are M. A. Johnson, Robert C. Gibson, Paul E. Olson, Dr. Lewis, Dr. Robert W. McCardle, Dr. Floyd D. Gillis, and Ted O. Anderson.

Representative government is basic to our American heritage. The teaching of these democratic principles is primarily a task delegated to the social studies department, although all teachers and all students are involved in some way in the practice of democratic government.

The activities of the principal's cabinet, the Student Council, the class boards, and the class officers exemplify this expression of our heritage.

Donald C. Senne  
Principal

## Win over Bobcats

Headed by new football mentor, Wayne Haensel, the Kernels finished the season with a 3-5 record.

Playing very dependable defense for the Kernels were Don Hegge, Jan Ryberg, and Dale Sorenson.

A lot of hard work also came from Spencer Zielenski, Keith Collins, Dave Bruce, Doug Hoisington, Bob Auch, Terry Martinek, Gary Baldwin, and Kent Pennings.

Charlie Miller and Dave Gehring were key replacements for injured players.

Jan Vonburg did an excellent job offensively and was among the top ten in scoring in the ESD. Danny Beck, Doug Sperlich, Gene Rainey, Dave Corey, and Gary Baldwin did an outstanding job as running backs.

Although the Kernels only picked up two ESD wins, they were big ones. They topped the highly rated Brookings Bobcats and defeated an old rival, the Madison Bulldogs.

## Kernels Place Third in ESD

Doug Van Westen

In Section IV play at Chamberlain, the fighting Kernels downed a good Cub outfit 60-48 March 6 in the first game.

... and then the dike burst in the championship final against the Miller Rustlers March 7, and the Kernels were swamped by a hot-shooting Rustler avalanche 75-48, thus ending the '67 season for the Kernels.

Coach Bob Brooks faced a rebuilding season this year with only two lettermen returning. The Kernels enjoyed a winning season, compiling a 12-9 mark.

Finishing third in the ESD conference behind first place Yankton and runner-up Aberdeen, the Kernel's best game of the year was their 52-51 squeaker over the Yankton Bucks here.

The only team that had a decisive edge over the Kernels was the Sioux Falls Lincoln Patriots who defeated the Kernels twice.

Leading the Kernels in scoring were Bob Auch, Fred Schapler, and Dan Beck, who were in the top ESD scoring list.

Schapler and Auch were the top rebounders for the Kernels. Gene Rainey, Dale Sorenson, and Don Hegge were steady performers.

For the first time since 1964, the Kernels appear to have the makings of a State "A" team next year, for they will have a good height coming from the sophomore team and the returning juniors, with a nucleus of eight lettermen.

## to the Races

Four records were broken last year, two records going to hurdler Ed Beittel who ran the high hurdles in 14.6 seconds and the low hurdles in 20.1 seconds.

A third record was put on the books by sophomore Jan Vonburg who threw the discus 157' 3 1/2", breaking the old record by 2' 11 1/2".

The fourth record was broken by the 440-yard relay team of Larry Hale, Larry Mankin, Gene Rainey, and Paul Hegge, who ran the distance in 45.3 seconds at the Aberdeen Relays.

At the Regional Track Meet, Huron, host team, won with 88 points and Mitchell was runner-up with 58 points. Other teams included Redfield, Miller, Wessington Springs, Howard, Highmore, and Desmet.

Beittel set his two records here. Mankin ran the 100-yard dash in 10.3 seconds and the 220 in 23.6 seconds.

Vonburg threw the discus 151' 3 1/4". Those qualifying for the State Meet at Yankton were Ed Beittel, Larry Mankin, Rich Johnson, Bob Auch, Dave Bruce, Mike Dowling, Jan Vonburg, and Fritz Schapler.

A total of 33 boys were active in track last year, including eight seniors, eight juniors, fifteen sophomores, and two freshmen.

Mankin won the school pentathlon, a contest consisting of five track events, with 16 points. Johnson, Beittel, Vonburg, and Auch followed.

Coach Bernie Stocking had this to say about the track team: "Taking all meets into consideration, and even though we didn't win the Regional Meet, the boys put out to the utmost of their abilities. The boys showed great desire, and I feel that they were one of the finest track teams I have ever coached at Mitchell."

## Pygmalion

Professor Henry Higgins, a phonetics expert, makes a bet with a friend, Colonel Pickering, that he can make a lady out of a common flower girl, Eliza Doolittle. With much difficulty, he teaches her to talk like a lady. The culmination of Higgins' efforts comes when he presents Eliza at the Embassy Ball.

Eliza, who is outraged because Higgins has taken all the credit for her many hours of hard work, leaves and marries Freddy Eynsford Hill, and together they open a small flower shop. They are poor and spend the rest of their lives as friends of Henry Higgins.

### FATHER OF THE BRIDE

Confusion torments the Banks family as they make preparations for the wedding of Kay Banks, played by DyAnn Senne, and Buckley Dunstan, played by Bruce Gallup.

Perhaps the biggest social highlight of any high school year is the Junior-Senior Prom and Banquet.

Glimmering moonlight gently falling on the blue river, sparkling stars, and beautiful murals turned the gym into a wonderland.

Memories of Moon River will be cherished for years to come as students look back on an enchanted evening.

An illustration of an open book, tilted slightly to the right. The word "Autographs" is written in a large, elegant cursive script across the center of both the left and right pages. The book has a simple black outline, and the pages are white. There are some faint, light blue scribbles around the book, suggesting movement or a decorative background.
